

## **AEON NEXUS CORPORATION**

If you would enjoy working in a dynamic environment and are looking for an opportunity to become part of a stellar team of professionals, we invite you to apply here today.

Aeon Nexus Corporation is a GSA Schedule 70 holder, certified minority-owned and small disadvantaged business, experienced in providing public and private sector clients with superior software solutions. Our expertise in IT consulting and customer service has made Aeon Nexus a valuable asset to our clients in the commercial and government sectors since 2000.

## **JUNIOR C# DEVELOPER**

Aeon Nexus currently has an opening for an entry level C# Developer. We are looking for a self-motivated individual that can assist our team with creating and enhancing CRM software applications.

The ideal candidate has a good understanding of software development and the software development lifecycle. This candidate must be interested in working closely with a small team of technical individuals to produce excellent quality products and implementations while focusing on code reusability and flexibility.

Position is full-time, on-site in Albany, NY. Must be able to relocate.

### **Primary Responsibilities**

- Working on a SCRUM team to develop, test and maintain browser and mobile based business applications built using Microsoft technologies
- Assisting in the collection and documentation of user requirements and estimates
- Assisting in the development of Database tables, views, stored procedures and SQL
- Design, develop and unit test applications in accordance with established standards
- Attendance and participation in peer-reviews
- Participating in the maintenance and debugging of software
- Analyzing and resolving application or system problems.
- Working with project management and stakeholders
- Providing technical expertise to intra-departmental project teams, and other departments for the resolution of complex policy and/or operations issues
- Applying analytical, interpersonal skills and experience to operations and customer issues

- Collaborating with and following the direction of the Tech lead or Senior programmer

#### **Required Qualifications**

- Associates or Bachelor's degree in Computer Science or Similar
- 1 years' experience with C# development
- Communicate effectively, both orally and in writing
- Excellent verbal and written communication skills
- Object-oriented programming knowledge
- Meet schedules and timelines

#### **Desired Additional Skills**

- Strong analysis background
- Knowledge of Microsoft Dynamics CRM
- Problem solver

#### **Compensation**

Aeon Nexus Corporation provides all employees with medical, vision, and dental insurance, and a 401K plan with employer matching. This is a full-time salaried position.

The Junior C# Developer position starts at \$50K, up to \$75K based on experience.
